Dear Margaret,

Thank you so much for

lunch yesterday. It was

delicious, relaxed, and most

enjoyable — I just hope that

I did not pass on my cough

and cold to all and sundry.

I am so glad that you
are enjoying so much at
home at Peques. It seems
as if you have lived there for
years which is fine to come
really will be the case.

Love you again.

Good luck at the Conference.
