

MEMORANDUM

27.10.75

No: 6

TO: KJ

FROM: AS

The "SUNDAY TIMES" article contained flagrant dishonesty. It needs an answer. I suggest that you ask for the same space for reply - ON THREAT OF AN APPEAL TO THE PRESS COUNCIL IF REFUSED. I SHALL DRAFT THE REPLY. We must fight back, particularly with the enemies in the wings, ready to exploit, and in some cases actually initiate or instigate these attacks.

In general, I think I should be involved in the monthly report, on the PR side in particular. I ought to see the copy before it goes out, discuss the monitoring and come-backs.
