Darling Ronnie,

How wonderful to
write to you at least
from this address.

Just to let you know
that Mrs T got your letter
but also to say how really
magnificent you have been
over the last few years —
but never more so than
during the Campaign. You
will never know in what deep
affection you are held by
"her" but of course all of
us too — you did more
than anyone else to help
win the Election of the
House.

I shall treasure forever
the times we have
shared & maybe his
is it the end. Poor Ramme!

with very much love
to a truly exceptional
person.

Cassie
