THE PRIME MINISTER

17 November 1981

Dear Ralph,

Many thanks for your letter of 3 November.

What good news from Buckingham! Let us hope there will be more of the same still to come. As you say, so far so good.

I am glad to have your suggestion about Peter Bauer. I will certainly consider his name carefully at the appropriate time. We need as many good people as we can get in the Lords.

Thank you for the copy of your Journal and for your Hong Kong speech. I shall enjoy reading these - when I have a moment to do so!

The Hong Kong speech - I have already
read it. Superb.

Yours

Rogers

Lord Harris of High Cross
