THE PRIME MINISTER

Wednesday.

Dear Iona,

A very warm thankyou from
us all for the lovely luncheon party
last Sunday. It is the first time
for ages that we have all been out-
together. It was very good of you
to entertain the entire family - we
were most grateful and had a wonderful
time.

What a delightful party the

Carsons are - I hadn't met
them before although I am by hi
we'd just a couple of doors away
from us in New Court.

A happy new year -

Yours ever

Rare and
