Dear Ralph.

Thank you for your vigorous letter. I am glad you welcome Upminster.

On Paragraph 3 of the C.P.S. prospectus, I think you have strong grounds for your complaints. I thought I had corrected the draft on the grammatical point - but I see that I let it slip.

On the denationalisation comment, I was meeting the strong wish of several subscribers that we should be realistic. Extract of reply by RJ to RH

In the light of your comments I am ceasing to use the document. Only about 25 letters have gone out with it as an enclosure. There are several score more letters to go. I shall have a redraft and a reprint.

a will send you

a copy.

Yours,

Keith

That's more like it!

well done!
