to life that it would be reasonable to take them out of the usual processes of bargaining in return for different methods which could be negotiated with them.

I believe the time has come to tackle this long standing problem. As an P.M. understands the facts we will support him

~~With a whole hearted~~
UNIFY FINALE

1) Doubtless P.M. regrets his attitude to 'the Plea of State'.

We regret his attitude in 1974 when he made pledge to do away with I.R. Act and to enact new legislation

which "Labour have already agreed" with the T.M.C. (offshore) (much)

(10)

We are concerned with the wellbeing of all our people.

Question of the powers of Union in relation to the Community, Parliament and the Law has been raised again by events he can't ignore.

While we are critical of his conduct, the way matters have so far been handled of much of his political philosophy.

Thus one matter is of such importance should come to the fore as a democracy that we will support him in steps to deal with it, if he will put them in hand.

More generous offer - than he had made. I do it. If not - step aside for a party that will
