

HOUSE OF COMMONS  
LONDON SW1A 0AA

The Parsonage,  
17 Cyprus Avenue,  
BELFAST BT5 5NT.

22nd June 1979.

The Rt. Hon. The Prime Minister,  
Downing Street,  
LONDON.

*Sean Prime Minister,*

Thank you for your note which, being a statement of facts already within my knowledge, was hardly illuminating. Neither does it reassure, either myself or the people of Northern Ireland, that their continuing plight is a matter of your urgent personal attention.

It is for this reason that I have asked to meet you; it is this request which you have ignored in your reply; and it is this request which I would now urge you to answer so that your mind may be conveyed to my electorate.

*Sincerely*

*Ian R.K. Paisley*

IAN R.K. PAISLEY.
