

10 DOWNING STREET
LONDON SW1A 2AA

THE PRIME MINISTER

16th October, 1990

Dear Ronni,

I should just like to thank you once again for all your help with my speech to the Party Conference.

As ever, your contribution was absolutely invaluable. The speech-writing process seemed to be easier than in some previous years and I felt that the speech itself was a great success.

With best wishes.

*Yours ever
Margaret*

Sir Ronald Millar
