PERSONAL MESSAGE

SERIAL No. T1420/82

Dear Prime Minister,

I am deeply grateful to you for the arrangements made for my most enjoyable visit to Italy yesterday. It was a wonderful day. Your hospitality was warm as ever and our discussions were most valuable. My whole delegation benefited enormously. Would you please pass my grateful thanks to all who did so much for us.

Your dinner in the superb setting of the Villa Madama was a perfect end to a delightful day.

Yours sincerely

Raymond Whelan

His Excellency Signor Giovanni Spadolini.
