PRIME MINISTER'S  
PERSONAL MESSAGE  
SERIAL No. T 173/87

Thank you for your letter of 17 November inviting me to next year's Economic Summit at Versailles.

I shall naturally be delighted to come, although the particular dates you suggest give me some difficulty. I suggest that our Personal Representatives discuss the question of suitable dates at their meeting in Paris on 12/13 December.

(SGD) MARGARET THATCHER

His Excellency Monsieur Francois Mitterrand
