

MAFF

Terry Colmer (Chief Press Officer, MAFF) draws our attention to two stories in today's FT:-

1. Green Pound - change in the wind. MAFF line is "This is pure speculation. We shall not know what the Minister proposes until Friday's debate in the House on prices and CAP".
2. Euro Frauds. This concerns a Thames TV programme and MAFF will give us a firm line as soon as they are able to.
