Aldergrove,  
Crumlin, Co. Antrim,  
N. Ireland

20 Dec 1980

Dear Prime Minister

I want to thank you very sincerely for seeing me on 18<sup>th</sup> December at a time when you had so many urgent and important matters on your mind.

As I indicated, I was particularly relieved by your assurance that the Dublin talks would not in any way impede the work of the Northern Ireland Boundary Commission or the legislation to give effect to its recommendations.

With very best wishes for 1981  
Yours ever  
Jim
