

PRIME MINISTER'S VISIT TO TAYLOR WOODROW LABORATORY

The Prime Minister will visit Taylor Woodrow Construction Ltd., Southall at 0930 tomorrow to open a new research laboratory for experiments on a range of materials for the building industry. A detailed programme is attached.

The Prime Minister agreed to open this new laboratory of Taylor Woodrows at the end of last year whilst she was Leader of the Opposition. As you know, she has undertaken an extensive programme of visits to factories in Britain during the past four years and this visit to Taylor Woodrow can be seen in that context.

Press Arrangements

The national, local and technical press have been invited to send representatives to the opening of the new laboratory. Anyone interested in covering the event should contact -

Martin Taylor, Public Relations Officer,
Taylor Woodrow (Tel: 575 4410).
