

PRIME MINISTER

c.c. Mr. Thatcher

Michael Richardson rang today asking whether you would like to go to the first night of Don Giovanni at Glyndebourne on Sunday 11 July. As weekends go, this is relatively convenient as you will be in London on Saturday 10th for the Finchley Carnival and for the dinner for the Variety Club of Great Britain. Michael Richardson would invite Robin Leigh-Pemberton and his wife.

Would you like to accept?

I would, like a shot!
