Dear Mr. Kabery,

Re South Kensington

If it is not already too late and if South Ken. has not yet been decided upon, could you add my name to the list of the nine hundred and ninety-nine applicants?

who have no far gone as they
as to think of entering
politics at all, and further to
think that they might be
considered for this plum seat-
less it may be, but there will
be any harm in trying.

I asked you secretary by
phone not to put me down
for the City - Westminster as
I feel that seat ought to

Dear Mrs. Thatcher,

Thank you for your letter of 2nd December.

I have made a note that you would like to be considered by South Kensington and will, as you request, submit your name to that Association if I am asked for a list of names.

Thank you also for your comments about the Cities of London and Westminster constituency.

Yours sincerely,

D. KABERRY.
