10 DOWNING STREET

THE PRIME MINISTER

6 April 1982

Mr. Cayzer,

Lemuel Abbott's portrait of Nelson was delivered last week. It is now hanging in the Blue Drawing Room here and looks very well indeed in that room.

I am delighted that we now have Nelson in No.10, and am most grateful to you and the Museum for lending the portrait to us.

*Yours sincerely
Margaret Thatcher*

The Honourable Anthony Cayzer
