

Armstrong

18th May 1979

Thank you very much indeed for your kind letter of 12th May. We have settled in happily here in Downing Street. The assistance and cooperation we have received over the transition period has been first class and I cannot be more grateful to the permanent staff.

I very much look forward to meeting you again before too long. Meanwhile I greatly appreciate the trouble you took in writing. It meant a great deal to me.

With best wishes.

John Hunt and Ken Stone have been absolutely marvellous. One tends to become very isolated here. I must see that doesn't happen.
