PRIME MINISTER'S  
PERSONAL MESSAGE  
SERIAL No. T62/79T

Dear Mrs. Thatcher,

I wish to express my sincerest appreciation to you for your personal message presented to me by Mr. Derek Day regarding the position agreed upon by the Commonwealth Heads of Government on Zimbabwe Rhodesia in Lusaka.

Although I and all the people of Zimbabwe Rhodesia are terribly disturbed over certain aspects of the Lusaka Accord, I am however appreciative of the difficulties which were in the background of the proceedings.

I look forward to receiving the full text of your proposals to us.

With best wishes,

Yours sincerely,

ABEL T. MUZOREWA
