THE PRIME MINISTER

18th May 1987

Dear Lord Elgin,

May I thank you and
Lady Elgin most warmly for
a delightful and inspiring visit
to Holyrood House on the occasion
of the opening of the Church Assembly.
Our time in Holyrood House was
very happy indeed and I was so
pleased to have the chance of letting

to many people and hearing
them visit at first hand.

May I also congratulate
you most sincerely for your
wonderful address at the Assembly.
It was an inspiration to all who
heard it and set the tone for the
whole occasion. Your successors will
never be able to surpass it.

All good wishes.

Yours sincerely
Raymond Redden
