

10 DOWNING STREET

THE PRIME MINISTER

6 July, 1981

Dear Sir Brian,

Many thanks for a marvellous day at Wimbledon,
and for a delicious and enjoyable lunch.

I always like to be able to get away from the office,
and remind myself that there is another world outside.
It is particularly refreshing when that other world
is Wimbledon.

I am glad the rain that started when I left did
not spoil the tennis. I certainly found the Ladies'
a fascinating final, and I am sure we will see more of
Miss Mandlikova at Wimbledon next year.

I have just watched the men's
Angus final — Wonderful. We shall
never see a better.

Air Chief Marshal Sir Brian Burnett, GCB, DFC, AFC, RAF (Retd)

Yours sincerely
Margaret Thatcher HLL
