M. Nawoy is not coming to the airport.

Agree that you return to the residence after
lunch for your interview and that we delay
the bill?

Prime Minister

You now do not have time to
do your interviews with the British
press before lunch.

do you want

- (a) either to go back to the residence
after lunch, give your interviews and
perhaps you might back by 4.5 minutes or so
(b) or to cancel the interviews?

I should prefer to
do the interviews A.S.C.
— if we can

perhaps delay the flight. — but it will
be difficult if the P.M. is
coming to the airport. ~~But~~ We are going to have
Cushion at the conference.
