10 DOWNING STREET

Prime Minister

There are a number of  
interesting reports here -  
particularly about Nkombo's  
attitudes. I am told - though  
there is no evidence in these  
papers - that there are further  
signs of strain within Purgab's  
team.

As to Sany's planing the P.F.  
prevarication - as these papers would  
have led me to expect.
