Dear Mrs. Thatcher,

Congratulations on your adoption as prospective candidate for Finchley. I was sorry not to be able to see you when you called in the office after your selection but do accept my best wishes, and if I can ever be of any help please do not hesitate to let me know.

The attached memorandum may interest you if you wish to attend any debates in the House of Commons. I know you will appreciate that this is personal to you as an adopted candidate.

Yours sincerely,

Mrs. D. Thatcher,
