27th Feb. 1978.

Dear Miss Stevens,

I am so glad that you enjoyed the records I chose for Desert Island Discs. There were so many others that I also wanted to take that it was difficult to make the final selection. The Greig piano concert is a great favourite and so is "I know that my Redeemer liveth" from the 'Messiah'.

I am so glad that Mrs.

Hunt is a Grantham just like
me. She will show the many
happy memories I have of our
life there. Before we had television
we used to amuse ourselves and do
more things together than we do
now.

Thank you for your kind
and thoughtful words about the great
last ahead of me. Whatever happens
I hope I shall be able to see you

it with that final solitary
virtue - courage. Or is it
solitary? Is it not that it comes
from a strength and source far
greater than this earth can supply.

Your letter brought me
added strength - thank you

With kind regards to you all.

Yours sincerely
