Guest List for your Dinner
for Chancellor Schmidt on 10 May

I attach below a draft guest list for your dinner for Chancellor Schmidt next Thursday. I have consulted Mr. Stanley, Mr. Ryder and Miss Stephens and it incorporates their suggestions, as well as those of the Foreign and Commonwealth Office.

The maximum capacity of the State Dining Room for a formal dinner is ~~68~~⁶⁹ and the guest list amounts to exactly that number. I have attached behind it a short separate list of reserves: you may of course wish to promote some of these to, and remove others from, the main list.

So that we can get the invitations out as quickly as possible, it would be very helpful to have your approval of the list over the weekend.
