Our General Director, Mr. Pierssene, cannot get any reply to his repeated letters to your Chairman about your financial arrangements. The Standing Advisory Committee refuse to endorse a candidate until they hear from the Chairman that the arrangements are within the financial rules of the Party. I have, therefore, been asked to enlist your help in persuading your Chairman to send them in, for if they do not come soon it will be impossible for you to qualify to attend the next Party Conference which will be a great pity for all of us!

If you can help us by hurrying matters on we shall be most grateful.
