

Thoughts on the Moral Case I

Our views on the way ~~the economy should~~
a government should run the economy
can be described as "libertarian" that is to
say freedom to develop within ~~the~~ within
the framework of a set of ~~basic~~ law.

The most important part of this case for
this economic freedom is not the way it
provides ~~freedom~~ ~~freedom~~ ~~freedom~~
freedom, but ~~the way~~ its consistency
with certain fundamental moral principles
of life itself.

soul ~
Each person matters.

Man is irreplaceable -

He is a responsible being,

He has freedom to choose,

He has obligations to his fellow men.

Morality is individual, personal. There
is no such thing as a collective conscience
collective ~~freedom~~ ~~freedom~~ ~~freedom~~ collective freedom, P.T.O.
~~To cast your burden on your country, despair,~~
~~desire for freedom, some try to escape this~~
~~personal responsibility by ~~collective~~ letting their~~
~~social justice, a new understanding social order,~~
~~percentage of success and they will let us a pillar~~
~~stand on ~~freedom~~ ~~freedom~~ ~~freedom~~ social order~~
~~And ~~freedom~~ ~~freedom~~ ~~freedom~~ they will demand that their~~
~~country does so they will die. But that~~

~~doesn't choose the ^{for} personal~~
~~responsibility. They are their~~
~~to be on ^{on} country.~~
~~People who ^{but} strongly, it~~

Collective freedom & To talk of
social justice, social responsibility & new world
order, may be ~~easy~~ ^{easy} enough ~~but it does not~~
~~choose~~ ~~and~~ ~~it~~ ~~is~~ ~~for~~ ~~personal~~ ~~responsibility.~~
It is ~~not~~ ~~moral~~ ~~to~~ ~~cast~~ ~~decisions~~ ~~on~~ ~~others.~~
It is ~~not~~ ~~to~~ ~~do~~ ~~something~~ ~~that~~
~~these~~ ~~things~~ ~~involve.~~

We don't carry out our moral commitment ~~only~~
by ~~the~~ ~~idea~~ ~~of~~ ~~public~~ ~~stance~~ ~~on~~ ~~these~~ ~~things.~~
We ~~only~~ ~~do~~ ~~it~~ ~~by~~ ~~choosing~~ ~~to~~ ~~do~~ ~~something~~
~~about~~ ~~these~~ ~~things.~~

You can't delegate ^{personal} ~~responsibility~~ to your
country. ~~You are your country. You can't~~
~~out.~~ ~~But you can~~ ~~do~~ ~~it.~~ ~~And~~
~~whatever~~ ~~you~~ ~~do~~ ~~with~~ ~~it~~ ~~or~~ ~~don't~~ ~~do~~
~~will~~ ~~affect~~ ~~the~~ ~~people~~ ~~in~~ ~~the~~ ~~society~~
~~you~~ ~~can~~ ~~choose.~~
You are your country.
