Dear Nick,

Thank you for the arrangements made for my very brief visit to Washington on Wednesday - and please pass on my thanks to the members of your staff. It was an agreeable way to end a hectic day.

I hope you will manage to have a rather quieter time now than has been possible in the last three months. Everyone here remains full of admiration for all you did to present the British case in America during that time.

Yours sincerely
Margaret Thatcher

Sir Nicholas Henderson, G.C.M.G.

What a splendid day events after
left. I am so sorry Mr Hunt
resigned. mb, da
