THE PRIME MINISTER

27 July 1979

Dear Mr. Craigen,

Thank you for your letter of 18 July about dispersal. Paul Channon's statement in the House yesterday made our decisions clear. In reaching them we have taken into account all the representations Members have made, and I am glad that it has proved possible to go ahead with the dispersal of at least 2,000 posts to Glasgow and East Kilbride.

Yours sincerely

Robert Storer
