

Prime Minister

IAN LLOYD

1. Herewith letter of 2nd February from Ian Lloyd.
2. Please also see the newspaper cutting.
3. This is absolutely disgraceful. You gave no undertaking whatever to Ian Lloyd that you would visit his constituency in the autumn. You did say that you hoped that you might be able to visit his constituency sometime in the future.
4. Do you really want us to try to fit in an added visit to Hampshire sometime this year? - Caroline will murder us if you say yes.

*I'm afraid I shall have to.  
Perhaps at the end of the  
summer term.*
