

Miss B. Cook to JPL Thomas, 1 Feb 1949

"The Dartford Executive Committee met last night and interviewed four Candidates. Their final choice was Miss Margaret Roberts, who will be contacting you, as I do not think she is on your list. I was tremendously impressed with her and think she is a winner. I only wish she had a better chance than she was have at Dartford. I attach such information as we have about her".

Biography of Prospective Parliamentary Candidate

Roberts, Margaret

Aged 23, British, single

Educated first at Elementary school, and later, after winning a scholarship, at Somerville College, Oxford University. Recently awarded a B.Sc degree.

Is research chemist, working at present in Colchester, but is seeking employment in similar capacity, and living accommodation, in London Area.

While at University was elected President of the OUCA in 1946.

At present acting as Chairman to an Intermediate Section (over 30s) of Colchester Conservative Association, and has wide political knowledge.

Good experience of public speaking, particularly in open air and has addressed many open-air meetings in Colchester.

Has special interest in industrial problems.
