

CALL BY THE ZAMBIAN HIGH COMMISSIONER

The call by the Zambian High Commissioner, H.E. Miss Chibesakunda, on the Prime Minister at 3.15 this afternoon was not announced at Lobby this morning and it would be better if it did not become public.

However, if news of the call leaks, we can confirm, if asked, that the Zambian High Commissioner did pay a brief call on the Prime Minister this afternoon (25 minutes) for a general discussion on the situation in Southern Africa.

Only if pressed, we may, if we have to, also confirm that the Zambian High Commissioner brought with her a message from President Kaunda for the Prime Minister. Its contents are, of course, confidential. (Strictly for your own information the message was about Rhodesia).
