**PRIME MINISTER'S  
PERSONAL MESSAGE  
SERIAL No. T228/80**

Dear Helmut,

Thank you so much for your hospitality on Sunday and Monday. As always I found our talks together extremely useful and was much encouraged by the closeness of our views on so many issues.

I look forward to seeing you again in Luxembourg shortly and to hearing about your discussions in the United States.

This was written before our telephone conversation of Sunday morning.

Warm regards.

Yours sincerely,

(SGD) MT

His Excellency Herr Helmut Schmidt
