I have arranged
for Ronnie to pick
up the cigars, and *have*
put a letter inside
from the PM. I am
returning this as
I don't know whether
anything was done
about John Hoskyns.

up the cigars from

Prime Minister

Party Conference Speech

1. In the past, you have always written a manuscript letter to Ronnie Millar, and have sent him a present. (As you know, he likes champagne).

2. Would you also like to send a manuscript note to John Hoskyns?

3. I have done letters for you to sign to John Biffen, Jock Bruce-Gardyne and Angus Maude.

*We usually get some
Gigs and Guinevere gets
them.*
