Prime Minister

Message just received
from MOD :

HMS Glamorgan struck
by suspected EXOCET
missile. Ship is in
position 51/58/south.
Large fire in vicinity
of hangar and in
gas turbine + gear
room. Power still
available. Ship PTO

making ten knots
to the South.

end of message. This
was sent by the
Captain timed 120717Z.

- MOD as yet have no
details of casualties
+ wouldn't expect
them for several hours.
They will keep us
informed.

- Also, it is strongly suspected
that the EXOCET was
fired from land. Only Clark
