

Prime Minister

S.A.S. REGIMENT

1. The SAS Regiment would like to give a dinner in your honour.
2. This would take place at the Royal Hospital, Chelsea. The envoy who carries this invitation is Stephen Hastings, who, as you know, served with the SAS.
3. Would you agree, in principle, to be their guest of honour? They understand that you may not be able to find a date for some months.
4. There would be no speeches. They simply want to show their respect and gratitude to you for your leadership.
