THE PRIME MINISTER

Dear Mr. Allison,

Could you please tell the children how delighted I am with all their cards. I do indeed remember meeting little Jamuna devi dasi in Hyde Park last year and I am so touched that all the other children as well should have done cards for me.

The cake, too, is really magnificent and I would be grateful if you could pass on my sincere thanks to the Mahabharat Youth Clubs.

We eat the cake at a special party on Monday and almost everyone who works at No 10, had a piece. We all agreed it was delicious and we loved the way it had been iced and decorated. You made us all very happy.

Francis Allison, Esq.

I shall treasure the birthday cards.

Yours sincerely  
Margaret Thatcher
