

10 DOWNING STREET

Prime Minister

The Foreign Office have replied to this  
saying:

- (a) the situation is intolerable
  - (b) the remaining Argentinian  
personnel must be removed
  - (c) if Argentina can send its  
boat back and pick them up  
quickly, well and good.  
but otherwise we shall have to  
act.
2. Meanwhile, Endurance has been told  
to go to Sydney (South Georgia)  
and await further orders.
