John Price Minister,

R30/11

This is just a brief note to thank you very warmly indeed for coming as our guest to the Burke Club dinner last Tuesday and for giving us all such a marvellous address.

It was particularly useful for our members to be able to have such a lengthy period of discussion with you. I thought their views on Rhodesia were a little harsh, although it is difficult not to sympathise with the spirit that inspired them.

Again, thank you very much indeed for coming.

*Yours sincerely
John*
