From the Director-General: Sir John Methven

Prime Minister

The CBI Council passed the attached resolution this afternoon.

When I saw John Methven 20 June 1979  
today, he made it clear that he has got the  
message that Ministers are now expecting action  
from the CBI and its members.

Dear Chris,

JSM: 20/6

As promised, I attach a

copy of the Resolution passed by the CBI

Council 15-6-79. I am writing to all  
members urging them to act on the  
resolution and to spell out their  
views there.

Yours sincerely,

John Methven

This Council fully supports the strategy and the direction of the Budget and recognises that its success will hinge to a large extent on the ability of managers and employers throughout business to respond to the challenge and the incentives it provides. The CBI Council therefore calls on all CBI member firms to do everything in their power through the efficient and competitive management of their enterprises to ensure that the policies, which the CBI has long advocated and which are now being pursued by the Government, lead to higher productivity, higher living standards, more jobs and a more successful economy, in the interests of the British people as a whole.

Passed by the CBI Council 20/6/79
