

10 DOWNING STREET

THE PRIME MINISTER

Private

31st May 1987

My dear Angus,

First - I should
have written to Joyce and said
what a marvellous victory - for her
because she did it and held the reel
for us. If only we had more like
you too!

Come and have a word about
Arnold. I just don't think it is
going to be possible to do anything

10 DOWNING STREET

this time. I agree with you, he
is a marvellously loyal person and
has done so much for us.

Yours ever

Dequels
