Dungiven
Co' Derry
N.I.

Dear Mrs Thatcher

My brother Liam is now on his nineteenth day of hunger strike in the Maze Prison.

I am making a plea to you to save my brothers life as I love him very much.

My family, friends, relations and I do not want to see him die as his eight comrades and Kevin Lynch whom he replaced did.

So I beg you to save him now before it is too late.

McCloskey
