THE GOVERNOR *has seen*

MEETING WITH THE CHANCELLOR - *covered monetary matters*

*5.30 12<sup>th</sup> February*  
*1980 M.P. DOSS*  
The main purpose of the meeting is, of course, to deal with monetary matters, but I thought that you might find it useful to have a list of other points:-

- (1) the markets - usual briefing attached;
- (2) the consultative document;
- (3) the Finance Council Meeting and Basle;
- (4) the Budget;
- (5) your visit to Saudi Arabia and Kuwait;
- (6) the Bristol speech.
