THE PRIME MINISTER

31 July 1981

Dear Walter & Lee,

I am quite overcome with your generous present. It is the most beautiful object and one that I shall treasure for always. You really shouldn't have given me something as special as the 'Tree Peony' but I am thrilled with it.

It was lovely to see you both again.

Yours ever

Raymond

Mr. & Mrs. Walter Annenberg

What a wonderful week it has been.
