FROM SIR MICHAEL EDWARDES

Dear Prime Minister,

and
Thank you

for the delightful evening
which gave me an excellent
opportunity of explaining our
policy to the French
Cabinet Ministers. They were
remarkably well informed on
our ballot & on the
desirability of Robinson.

I hope you feel that the

risk we have taken is
worthwhile. We feel we
had no option but to
put the ballot to the
test at the earliest possible
opportunity.

Yours sincerely,

Michael S. Swann.
