

L90

10 DOWNING STREET

THE PRIME MINISTER

12 June 1979

Dear Mr. Schlesinger,

Thank you for your kind letter of 12 May. It was good of you to write. David Howell has told me about his recent meeting with you in Paris and I welcome the prospect of our governments working closely together to meet the many challenges we face.

Warm regards

Your friend
James R. Schlesinger

The Honourable James R. Schlesinger.
