

10 DOWNING STREET

THE PRIME MINISTER

24 May, 1979.

Dear Nicholas,

Thank you for your kind letter of 18 May and for your good wishes.

We shall implement our manifesto commitment to review the financial treatment of strikers and their families; but there are limits to what we can do at once. We shall not, however, allow any time to be wasted.

Yours ever,

(SGD) MT

Nicholas R. Winterton, Esq., M.P.
