FOREIGN EXCHANGE AND GOLD MARKET REPORTS

This is to record that, in agreement with the Dealers, I have undertaken a pruning of the circulation of these daily reports, with the object of reducing the amount of such sensitive paper. All those who previously saw the series, and who need to continue to do so, will receive the report, but we have arranged for sharing of copies where practicable. Six copies will come to my group of three divisions, for distribution in the sequence indicated below. Since this new arrangement may imply slight delay in the availability of the material, it is plainly important that initial recipients should pass their copies on as quickly as possible.

- 1 Mr. Walker  
Mr. Willetts  
Mrs. Puncher (I & R)
- 1 Mr. Goodhart
- 1 Mr. Dicks-Mireaux  
Mr. Panic  
Mr. Townend  
Mr. Dicks-Mireaux's secretary to file
- 1 Mr. Flemming  
Group 3/3
- 1\* Group 3/5  
Mr. Chetwin  
Mr. Mutch to file
- 1 Group 3/2  
Mr. Warland

(All copies should be shredded in due course.)
