CLIVE ✓ That's  
MM  
13/3

You ought to see what the  
Campbell-Savours row is all about.  
It hinges on my minute to the PM  
of 9/3. I fear that the  
DoI line is indeed radically  
different from the PM's instincts on  
these occasions. I guess she would have  
a fit if she saw some of KS's letters  
to MPs.
